

Reliable Parts Solutions Since 1976

30,000 types of aftermarket parts
for Excavator, Bulldozer,
& Wheel Loader.

ABOUT US

RELIABLE PARTS SOLUTIONS

JEMCO is a premier supplier of parts across Asia Pacific, catering to the critical needs of the utility, infrastructure, construction, mining, drilling, and manufacturing sectors.

As the region's largest hose distributor, we excel in providing hydraulic and industrial hoses, complete with tailored assembly and customisation options.

Our extensive inventory is a cornerstone of our service. Stocking genuine and OEM parts directly from manufacturers, coupled with our own manufactured products, guarantees prompt delivery and optimal performance.

web instant access

We provide our dealers with high-quality products and readily available stock from our international warehouses. This allows our end customers to run their machines optimally, minimizing downtime and maximizing cost savings.

With 48 years of experience in global parts distribution, we work closely with renowned manufacturers and source top-quality, cost-effective aftermarket replacement parts, all backed by warranties and technical support for complete satisfaction. These products come with full manufacturer warranties and technical support to ensure 100% customer satisfaction.

Our extensive product portfolio enables dealers to consolidate shipments, saving time and reducing logistics costs. Additionally, our expertise in packaging ensures products arrive safely, minimizing damage during transit.

UNDERCARRIAGE

A worldclass manufacturer in forged and cast undercarriage parts for excavator, bulldozer and track loader.

- Established in 1993 Fujian, China.
- Production facilities are certified **ISO 9001:2008**, **ISO 14001:2004** and **OHSMS18001**, with an internal quality control system in place and top technical expertise on staff.
- Main products: Carrier roller, Track roller, Idler, Segment, Sprocket, Track link, Track shoe, Adaptor, Bucket teeth & Recoil spring.
- We supply undercarriage replacement parts for: Caterpillar, Case, Doosan, Hitachi, Hyundai, JCB, John Deere, Kobelco, Komatsu, Kubota, P&H, Sany, Shantui, Sumitomo, Volvo and XCMG.
- JSB parts are widely recognized and distributed globally.

CARRIER ROLLER

Our rollers deliver high performance and reliability in all conditions, with long life and low maintenance thanks to an efficient lubrication system. Both JSB track and carrier rollers have surface hardness of Rockwell C 52-56 and inner hardness of Rockwell C 35-38.

TRACK SHOE

Managed by advanced computer systems, our track shoes use the latest heat treatment and metallurgy for outstanding durability, with surface hardness from Rockwell C 37 to 49.

TRACK ROLLER

Designed for high load resistance in excavators and maximum wear resistance in dozers.

TRACK LINK (LUBRICATED)

Our "sealed and lubricated" chain assemblies feature high-quality seals for extended life in extreme conditions.

IDLER

Manufactured via steel casting or electric welding, with running rail surface hardness of Rockwell C 54 and core hardness of Rockwell C 40. Fully sealed, lubricated, and factory-assembled.

ADAPTOR

Steel cast for the perfect balance of impact and abrasion resistance, with hardness levels up to 530 Brinell. Fits all OEM adaptors.

SEGMENT

Hardened for wear resistance, long life, and resistance to bending. Surface hardness is Rockwell C 50-53, with core hardness of Rockwell C 45.

BUCKET TEETH

Cast steel for excellent impact and abrasion resistance, with hardness levels up to 530 Brinell. Designed to fit OEM adaptors.

SPROCKET

Cast steel with reinforced geometry and induction-hardened for perfect fit and superior wear resistance.

RECOIL SPRING

Made from chrome silicon for superior performance under high stress.

TRACK LINK (SEALED & GREASED)

Hardened chains forged from medium carbon steel for long life and sealability, preventing loosening of pins and bushings in severe conditions.

ASSEMBLY SERVICES & MACHINES

Assembly and Testing Service

As an extension of our product offerings, we provide hose assembly and testing services for the convenience of our customers. Our in-house workshop in Kuala Lumpur is equipped to crimp hydraulic hoses up to 2" and industrial hoses from 4" to 6".

Our workshop handles crimping of industrial rubber and composite hoses up to 152mm in diameter, assembly and welding of flexible stainless steel hoses, and high-volume clamped assemblies. We offer in-house hydrostatic pressure testing up to 300Bar and a traceable "tag" system.

Jemco Hoses & Fittings Website

“
JEMCO excels in high-volume hose assemblies with testing and certification.”

UNIFLEX provides complete hose production systems, from workshop tools to full-scale production plants. Known for innovative and durable products, their range includes crimpers, cutting machines, skiving tools, test systems, software, and more, developed in collaboration with leading hose manufacturers. JEMCO is an authorized dealer of UNIFLEX products and services.

OTHER PARTS

In addition to undercarriage and hose products, our inventory includes 30,000 spare parts for various excavators, bulldozers, and wheel loaders. JEMCO ensures efficient inventory management for fast delivery, minimizing machine downtime. By offering a complete range, we consolidate orders into fewer shipments, helping customers save on costs.

ENGINE COMPONENTS

- Cylinder Heads • Belt Tightener • Blocks • Camshafts • Chambers • Cylinder Blocks • Connecting Rod Kits • Connecting Rods • Covers • Crankshaft • Dampers • Engine Bearings • Engine Belts • Flywheels • Inframe Overhaul Kit • Liners • Manifolds • Mufflers • Piston & Liner Kits • Piston Pins • Piston Rings • Pistons • Plate Thrust • Premium Overhaul Kits • Pulleys • Turbochargers & Cartridges • Valve Springs and more

ELECTRICAL ROLLER

- Lights • Sensors • Batteries • Switches • Alternators • Starting Motors • Cables • Solenoids

HYDRAULIC SYSTEM

- Tubes • Gear Pumps • Vane Pumps • Pistons Pumps • Hydraulic valves • Hydraulic Cylinders • Hoses and Coupling

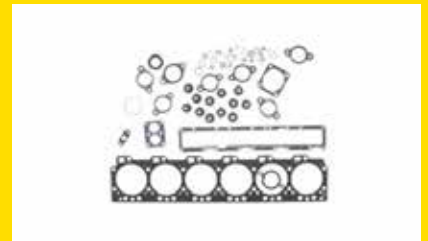

FUEL INJECTIONS

- Nozzles • Fuel lines • Priming Pumps • Fuel Pumps • Lines • Plunger & Barrels • Pre-Combustion Chambers

COOLING SYSTEM

- Fans • Radiators • Oil Coolers • Elbows • Thermostats • Conveyor • Radiator and Heater Hoses • Pipes

SEAL AND GASKETS

- Engine Kits • O-Ring Kits • Hydraulic Kits • Gasket • Seals • Head Kit • Lip Seals • Shims

Excavator Component Parts

G.E.T. PARTS

- End Bits • Bit Cutter • Wear Plates • Shank • Cutting Edges • Tips & Adapters • Pins & Retainers

HARDWARE

- Bolts • Nuts • Pins • Studs • Rivets • Washers • Locks • Springs

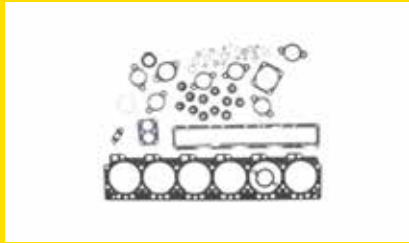

FILTERS

- Strainers • Oil Filters • Air Filters • Fuel Filters • Seals • Water Filters • Pre-cleaners • Service indicators

STEERING PARTS AND BRAKES

- Actuators • Brake cylinder and camshafts • Discs and plates • Brake groups • Piston brakes • Drums • Cages, couplings • Brake pads • Tie Rods & Sockets

CAB AND BODY PARTS

- Seats • Wipers • Gauges & Indicators • Ac Compressors • Mirrors • Alarms • Knobs & Handles • Glasses for Cabin • Steering Wheels • Treadle, Footboard, Platform

FRAME AND BODY

- Bogies • Fenders • Frame Assemblies • Wear Strips • Equalizer Bar • Track Guards • Track Frames • Shields & Covers • Bogies pins • Swing Gears • Pads

POWER TRAIN

- Axles • Yokes • Final drives • Differentials • Gear & Pinions • Universal joints • Torque converter

QR code: Detailed Travel & Swing Device

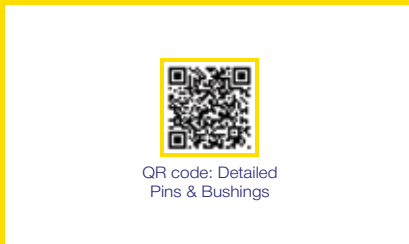

BEARINGS

- Ball Bearings • Roller Bearings • Sleeve Bearings • Needle Bearings • Spherical Bearing • Inner and Outer Races • Copper & Bronze Bearings

PUMPS

- Pump gears • Pumps Metering • Oil pumps • Water pumps • Fuel pumps • Hydraulic pumps • Pumps Gp. Pistons • Barrels & Pistons
